### **Additional Guarantee (Optional)**

1. We highly believe in and use NuVet Plus Supplements for our dogs and puppies. Puppies have immature immune systems that take time to mature and there are many factors that affect the condition and health of your puppy such as food quality and environmental factors.

- We are so confident that NuVet Plus will benefit your puppy's health that we will extend this genetic health guarantee an additional 24 months (2 years) if you continue your new puppy on NuVet. You would be required to purchase it through our online link and use it from take home of the puppy through the end of this guarantee period, as recommended on their label. Failure to be able to provide proof of purchase will make this part of the guarantee null and void. We recommend that you continue to give your pet NuVet Plus beyond the guarantee period, promoting lifelong, continuing optimal health for your dog.
2. Also, by continuing the NuVet supplement from the first day you take your puppy home we will offer a 7 day medication reimbursement protocol that covers parasites, coccidia, giardia, and kennel cough. If your licensed vet diagnoses any of these common puppy issues within the first 7 days of taking your puppy home you can email us your invoice and we will reimburse you for the cost of the medication. All receipts should be emailed to [hiddenviewfarmsllc@yahoo.com](mailto:hiddenviewfarmsllc@yahoo.com)

### **Deposit Policy**

1. A puppy cannot be placed on hold without a deposit. The buyer understands that by placing a deposit on a specific puppy, it is considered a commitment to buy, therefore, the deposit is NONREFUNDABLE. In the event that something unforeseen should happen to the puppy that the deposit is placed on, the buyer will have the option to either... A) be refunded the deposit amount or B) transfer the deposit amount to another puppy of the buyers choice. This deposit is only transferable if something unforeseen happens to the puppy. The deposit must be used within one year of the original deposit date, in this case.
2. Once you place the deposit, you are required to contact us by the "Ready to Go" date to set up an appointment to arrange travel options for your puppy. If you do not contact us by that date to make arrangements, you would forfeit your deposit. You are required to pick your puppy up within 1 week of either: making the deposit if the puppy is over 8 weeks old, or within one week of the puppy turning 8 weeks old. If you should require us to hold the puppy more than 7 days past that "Ready to Go" date, your puppy must be paid in full and we reserve the right to add a boarding fee of up to \$50 per week, with anything less than 7 days equaling 1 week. If the puppy is not paid in full by the time it turns 9 weeks old your deposit will be forfeited. We can be very flexible if you contact us ahead of time and have your plans approved by us.
3. Once you have placed a deposit on a puppy you are locked in to the price that we agreed on at the time of the deposit. We may decide to change the price of our puppies at any time and any price change will not be reflected on the puppy you have already placed a deposit on.

### **Buyers Responsibilities**

You, as the new owner, are REQUIRED to a) keep dog current on all vaccinations, b) keep dog on monthly heart worm preventative, and c) if illness occurs, the dog is to receive immediate veterinarian care and all prescribed treatment is to be followed. Proper puppy care is required to validate this health guarantee. If seller feels proper puppy care was not performed, seller can void this contract.
